

The body: Toilet roll tube / kitchen roll tube / cardboard tube from a craft shop (one per bat or you can cut a longer one down to make more bats)

Body decoration: black acrylic or poster paint and a paint brush to make the body black.
For a 'no paint' workshop you can stick black paper to the cardboard body.

Optional body decoration: black and brown pompoms and black tissue paper to create interesting texture and fluffy bodies.

Wings: black card or thick paper. (An A4 piece will do up to 4 sets of bat wings.)

Face: Googly eyes and white paper for the teeth.

Legs: black pipe cleaners (one per bat)

Optional moon: a piece of a4 or a5 yellow card

Other things you'll need:

Scissors

Tape

Glue dots

Glue stick

A pencil to sketch out your wings if you'd like.

Something to hang your family of bats from such as fairy lights or a piece of string.
